The Faculty of Business, Economics and Social Sciences hereby certifies that,
in the lecture course "Understanding Global Development – Empirical Applications",

Dr. Martina Saskia Jakob

was rated as giving an

outstanding performance in teaching

Overall, out of 145 faculty courses evaluated in the spring semester of 2024, 9 courses (6.2 %) were rated as outstanding and were given an award.

The award for the recognition of an outstanding performance in teaching ("ALL") is based on the evaluation of the courses by the students. The recognition is awarded to lecturers of those courses that meet the benchmarks defined by the Vice-Rectorate Quality in the evaluation areas "Learning progress" and "Satisfaction with the course".
